

## **Jesus, Our New Covenant**

**Open The Conversation:** Share something good from this week.

**Key Scripture:** Read the following together.

*Now this is the main point of the things we are saying: We have such a High Priest, who is seated at the right hand of the throne of the Majesty in the heavens, a Minister of the sanctuary and of the true tabernacle which the Lord erected, and not man.*

*Hebrews 8:1-2 (continue through verse 13)*

1. What does this scripture tell me about me?
2. What does this scripture tell me about God?

**Start Sharing:** Choose one question to start the conversation, move onto others if time allows.

- How does knowing that Jesus is seated at the right hand of the Father, having completed the work of salvation, impact your sense of security and peace in your relationship with God? What does it mean for us that Jesus is the mediator of a better covenant based on better promises? How does this covenant change the way we relate to God compared to the old covenant?
- How do you experience the power of the Holy Spirit in your life? In what ways have you seen your heart transformed through the new covenant established by Jesus?
- The passage talks about God choosing not to remember our sins. Do you find it hard to accept God's forgiveness, and how does understanding that your sins are completely forgiven impact your relationship with Him?
- The passage speaks about the inner transformation that happens through the new covenant—having God's laws written on our hearts and being in personal relationship with Him. What does it look like for you to live out the reality of the new covenant in your everyday life? How can you cultivate a deeper relationship with God based on these promises?

**Start Praying:** Pray together and for one another.

*"God, help us to walk in the reality of your salvation daily. Thank you for giving us Jesus, our Saviour and High Priest. Thank you for the New Covenant, we receive all you have for us today. Amen"*
